"Accommodating Participants with Special Needs"

The Town of Bradford West Gwillimbury promotes and encourages campers with special needs or disabilities (physical, emotional, developmental or intellectual, medical, behavioural) to participate in a wide variety of activities offered by BWG Leisure Services. The objective is to facilitate meaningful participation for all. See pages 11 and 12 for more information.

ASSESSING A CAMPER'S NEED FOR SUPPORT:

A camper requires extra support if any of the following apply:

- support is required at school in the classroom.
- a physical, medical, developmental and/or learning disability exists that affects the safety of the participant or that of other participants.
- extra support needed at home for basic care such as dressing and toileting.
- participant is currently associated with a support agency or program.
- will the specific program and type of activities within the camp program be suitable for the child's needs, abilities and interests.

If you have answered yes to any of these questions then your child may need support. Please contact Nancy Shortill Thatcher, Recreation Coordinator at (905) 775-7529, extension 8301 for Summer Day Camp programs and Travis Crutchley, Aquatic Leader, at (905) 775-7529, extension 8403 for Summer Aquatic Camp programs.

INCLUSION SUPPORT

BWG Leisure Services employs staff for the summer period to work specifically as inclusion support with children who have special needs and or a disability. The inclusion support is a limited resource and is available on a first come, first served basis and is available for a maximum of one week per child at the designated camp program. (Additional fees will apply for additional weeks inclusion support requested with the summer inclusion staff). Inclusion support is only offered for camp programs from 9:00 am to 4:00 pm. Inclusion support is not provided for extended care periods from 7:00 to 9:00 am and 4:00 to 6:00 pm.

The determination of the need for inclusion support is typically through a consultation process via an agency such as Simcoe Community Services, Catulpa Community Support Services or Respite Services. Once families have made a connection with one of these agencies then in turn the agency will contact the Recreation Coordinator.

A Camper Profile Package is to be completed by each family prior to registering your child. All information is kept confidential. In order for the child to experience success in camp programs it is important to consider the child's ability, age, need and type of activities that take place within the programs. Communication and cooperation between all parties will ensure a safe and fun environment.
